

CATHEDRAL CITY FIRE DEPARTMENT

Can Your Home Be Seen?

*In the event of an emergency,
every second counts.*

*By having your residence
properly identified, emergency
vehicles can find your home
without unnecessary delays.*

- ◆ An illuminated address can be seen up to 175 feet.
- ◆ Always have your address properly illuminated, either by a “back-lit” model or by placing a light above the numbers.
- ◆ Always use a contrasting color when selecting numbers.
- ◆ Avoid painting over numbers, this renders them difficult to see in daylight or at night time.
- ◆ Replace missing numbers and assure that they are securely attached to their substructure.
- ◆ Choose numbers of appropriate size - Address numbers should be a minimum of 4 inches tall.
- ◆ Please contact the administrative offices at the telephone number provided should you have any additional questions.
